Wine Review: This pale straw-colored Chardonnay from Migration opens with a mild lemon verbena, pineapple and light oak bouquet. On the palate, this wine is light to medium bodied, balanced and delicate. The flavor profile is a gentle lemon and mild pineapple blend with notes of green apple. There were hints of oak in the background. The finish is dry and refreshing. This Chard is very versatile. It would be a perfect beach Chard for a hot summer day. With food, I would pair it with a toasted lobster roll. Enjoy

Winemaker Notes: Lush, alluring and beautifully balanced, this wine displays lovely stone fruit aromas, along with hints of apple and citrus. On the palate, subtle notes of French-oak-inspired vanilla and baking spice complement the generous fruit, with a beam of cool-climate acidity providing poise and finesse.
